BOEING CYBER GRANT AND WASHINGTON RESEARCH FOUNDATION RESEARCH SCHOLARSHIP APPLICATION

TMP is a program designed to maximize the experience of students pursuing degrees in STEM (Science, Technology, Engineering, and Math) and pre-health majors in order to increase their retention, achievement, and graduation. The Boeing Cyber Grant and the Washington Research Foundation Scholarships will support TMP students in a research activity with awards in the amount of $1,000.00 to $1,500.00. Awardees may competitively reapply for additional summer or semester. Priority will be given to first time applicants.

To be eligible for this scholarship Mentees must:

- Be active participants in the Team Mentoring Program and be in good academic standing
- Identify a faculty Mentor and a research project (doesn’t need to be a TMP Faculty Mentor)
- Complete this application and commit to provide an evaluation on the impact of the research experience in your educational goals upon completion of the semester. This includes preparing a poster presentation for a Conference, WSU SURCA, and/or a TMP event
- Attach current resume (if needed, ask your TMP Mentor or advisor for help)

This Scholarship is sponsored by the Boeing Cyber Grant and the Washington Research Foundation can be used during the Fall of 2019 or Spring, Summer, or Fall of 2020.

Application Priority Deadlines
- September 13, 2019 for Fall 2019
- December 6, 2019 for Spring 2020, and May 1 for Summer and Fall 2020

Submit application to any of the following staff and locations:
J. Manuel Acevedo at the Multicultural Center, CUB 409

For questions or additional information about TMP visit our website at tmp.wsu.edu
Student’s Name: ___________________________ WSU ID#: __________________

College: ___________________________ Semester doing the research: ____________

Email: ___________________________ Phone: __________________

Project Title: ___________________________

**DESCRIBE** the project to be undertaken. Include a statement of the project goals and how the research experience will benefit you, a plan for supervision by a faculty mentor, the starting date of the project, and an estimate of the average number of hours per week to be devoted to the project. Add additional page if necessary. Please type.

---

**Impact of the Research Experience on your educational goals:** A poster or PowerPoint presentation of your experience is required at the end of the semester. This should include project title, faculty mentor, goals, description of the project, lessons learned, and recommendations. Presenting a poster at the Sciences and Engineering Undergraduate Research Poster Competition ([http://postercomp.wsu.edu](http://postercomp.wsu.edu)) or other relevant conference will meet this requirement.
